

ing smart spraying technology. Using camera sensors, it is able to differentiate between crops and weeds and target weeds with pesticides – at lightning speed, in a single process. “Smart spraying sustainably clears fields of weeds. This safeguards yields while minimizing environmental impact,” Heyn says.

Bosch’s system expertise is making agricultural machinery more efficient and convenient to use. Smart Cab, which Bosch co-developed as a member of the CAB concept cluster, turns agricultural vehicles into connected command centers in the field. All components – vehicles, cameras, and drones alike – can interact with each other in the smart cab. Via the cloud, camera drones send detailed pictures of the condition of crops to the driver’s cab, and operators can receive warnings from the object recognition camera about living obstacles such as deer. Using a feature store, vehicle users can download certain functions over the air directly to the machine. In this way, nozzles can be adjusted depending on weather conditions and the state of the soil, for example. ♦

Engro Foods launch state-of-the art Lecture Hall

The Managing Director Engro Foods Limited Ali Ahmad Khan inaugurated a state-of-the art Lecture Hall renovated by Engro Foods at University of Veterinary and Animal Sciences UVAS Lahore.

UVAS & Engro Foods have already signed an MoU for the promotion of science-based linkages between academia and industry offering mutual good to both entities and help to address challenges and create opportunities for the well-being of society.

Engro Foods and University of Veterinary and Animal Sciences agreed to further strengthen mutual beneficial relationship to provide financial and technical assistance to the talented students in terms of merit scholarship. ♦

Jill Lee Appointed as Chief Financial Officer at Sulzer

Sulzer is pleased to announce the appointment of Jill Lee as Chief Financial Officer and member of the Executive Committee, effective April 5, 2018.

Jill has been a board member of Sulzer since 2011 and the Chair of the Audit Committee since 2016. She will replace Thomas Dittrich, who has decided to leave Sulzer for a professional opportunity which will be announced later today.

Thomas will remain with Sulzer until March 2018 and will close out the accounts and take part in the 2017 financial results announcement scheduled for February 28, 2018. Jill Lee will remain a Board member of Sulzer until the April 4 General Assembly but will not stand for re-election.

Jill Lee is currently Group Senior Vice President and Head of Next Level Program Management of ABB Ltd. From 2012 to 2014, she was Senior Vice President and CFO for ABB China and North Asia Region. Prior to this, she served as Senior Vice President, Finance Strategy and Investments for Neptune Orient Lines in Singapore (2010 to 2011).

She has also held a number of positions with Siemens, including Group Chief Diversity Officer (2008 to 2010), CFO and Senior Executive Vice President of Siemens in China (2004 to 2008), CFO and Senior Vice President of Siemens in Singapore (2000 to 2004) and CFO Asia Pacific and General Manager of the Asia Regional Headquarters of Siemens Electromechanical Components in Singapore (1997 to 2000).

Jill holds a Bachelor of Business Administration from National University of Singapore and an MBA from Nanyang Business School.

Peter Löscher, Chairman of Sulzer, said: "The Board and I are excited to have someone of the caliber and experience of Jill as the next CFO of Sulzer. She has been a valuable colleague on the Board of Directors, has intricate knowledge of the company and will ensure a smooth and seamless transition. Jill will be a great addition to what is already a world-class management team. The Board also thanks Thomas for his valuable contribution to the Sulzer transformation." ♦
